

UNIVERSITY OF WYOMING

FAMILY & CONSUMER SCIENCES INTERIOR DESIGN MINOR 2009-2010

A minor in Interior Design is sponsored jointly by the Department of Family & Consumer Sciences and Civil & Architectural Engineering. It is designed to enable students with career interests in this field to gain experience in the competency areas expected of interior designers. Students who hope to use this minor to prepare for professional certification examination following graduation should consult the sponsoring departments to receive an advisor for the minor.
