FERPA

(Family Educational Rights and Privacy Act)

The Family Educational Rights and Privacy Act of 1974, as amended, protects the privacy of educational records, establishes the students' rights to inspect their educational records, provides guidelines for correcting inaccurate or misleading data through informal and formal hearings, and permits students to file complaints with the Family Educational Rights and Privacy Act Office (FERPA) concerning alleged failures of the institution to comply with the Act.

The following items are considered directory information and may be disclosed by the university in response to inquiries concerning individual students, whether the inquiries are in person, in writing, or over the telephone:

1. Name;
2. Affirmation of whether currently enrolled;
3. School, college, department, major, or division;
4. Dates of enrollment;
5. Degrees received;
6. Honors received;
7. Full or part-time status;
8. Local address and phone number;
9. Home address (permanent);
10. E-mail address;
11. Participation in officially recognized activities and sports;

The University of Wyoming has the responsibility for effectively supervising any access to and/or release of official data/information about our students. However, because Wyoming has a Public Records Act, the above information may be released to any outside entity that requests it *unless a student has requested that a Privacy Flag be placed on his or her records.*

If you do not want any of the indicated information to be released to anyone outside the university, you need to complete a Request for Privacy Flag form and submit it to the Office of the Registrar. This form must be submitted no later than the 10th class day of the spring semester in order for your information not to be included in the printed Campus Directory.

A Privacy Flag means that your name will not be included in the printed Campus Directory and will not appear in the Web Student Directory. Your name will not be included in any news releases (including honor rolls or graduation). Also, information will not be released to prospective employers, insurance companies, credit agencies, etc. without your signed approval.

A Privacy Flag may be removed at any time by submitting a written and signed request to the Office of the Registrar.

Certain items of information about individual students are fundamental to the educational process and must be recorded. This recorded information concerning students may be used only by authorized university employees and only for clearly-defined educational purposes, must be safeguarded and controlled to avoid violations of personal privacy, and must be appropriately disposed of when the justification for its collection and retention no longer exists.

In this regard, the university is committed to protecting to the maximum extent possible the right of privacy of all individuals about whom it holds information, records, and files. Access to and release of directory information is restricted to the student concerned, to parents of dependent students (documentation must be provided), to others with the student's written consent, to officials within the university, agencies for the university such as the National Student Clearinghouse, to a court of competent jurisdiction, and otherwise pursuant to law.

The University of Wyoming is built upon a strong foundation of integrity, respect, and trust. All members of the university community have a responsibility to be honest and the right to expect honesty from others. Any form of academic dishonesty is unacceptable to our community and will not be tolerated.

Problem Resolution

Experience has shown that the best and quickest way to resolve a problem is to contact the person or office involved. We therefore recommend that if you have a problem you take it directly to the faculty member, department head, director, or manager of the unit involved. If you do not know with whom to discuss your problem or feel you need additional assistance, you may contact the Dean of Students Office, 128 Knight Hall, or phone them at (307) 766-3296. The Dean of Students Office staff will assist you and/or refer you to the proper person.

The University of Wyoming is an affirmative action/equal opportunity employer and institution and does not discriminate on the basis of race, color, religion, sex, national origin, disability, age, veteran status, sexual orientation, and political belief in any aspect of employment or services. The institution's educational programs, activities, and services offered to students and/or employees are administered on a nondiscriminatory basis subject to the provisions of all civil rights laws and statutes. Evidence of practices that are not consistent with this policy should be reported to the Employment Practices Officer (307) 766-6721.

Some departments may require scores from the Graduate Management Admission Test (GMAT), rather than the GRE, with a minimum score of 500.

International student applicants for whom English is not the native language must furnish scores from the Test of English as a Foreign Language (TOEFL), the International English Language Testing System (IELTS), the English Language School (ELS) or other approved test of English communication skills. The minimum paper TOEFL score acceptable for full admission shall be 540. This corresponds to a computer based TOEFL of 207 and the Internet-based TOEFL of 76. The minimum IELTS score for full admission shall be 6.0. Other approved tests will be acceptable at the level of the TOEFL score. Students may be admitted provisionally with lower test scores. Official scores must be sent directly from the testing agency (i.e. TOEFL scores must be sent from ETS). Contact the Graduate School for further information.

Three letters of recommendation must be submitted to the department. These forms are available on the Graduate School web site.

To obtain graduate, non-degree status, an application, \$50 fee, and transcripts must be submitted to the Graduate School. Only 12 credit hours taken with non-degree status may apply toward a graduate degree pending approval by the student's graduate committee.

Additional information and requirements are provided in the College of Law Bulletin. A UW College of Law application for admission must be submitted to the College of Law by March 15th. All applicants are required to take the Law School Admission Test (LSAT) and register with the Law School Admission Council at www.lsac.org or (215) 968-1001 at Box 2001, Newton, PA 18940-0981.

Admission to the professional curriculum leading to the entry-level professional Doctor of Pharmacy (Pharm.D.) degree is granted by the dean of the School of Pharmacy upon the advice of the School of Pharmacy Student Affairs Committee. The application process requires that students apply to the School of Pharmacy using Pharm CAS, for more information about Pharm CAS log on to www.Pharmacas.org. The application deadline is January 5th for fall admission. Admission to the professional program is limited and competitive. WWAMI is a contract program between the University of Wyoming and the University of Washington for medical education. Admission is twofold. Applicants must be certified residents of Wyoming. To be eligible for certification, the applicant or parent or guardian must be a legal resident of the State of Wyoming for five continuous years immediately prior to enrolling at the University of Washington. Applications for certification are located at www.uwyo.edu/wwami and are due no later than October 15 of the year preceding the anticipated start date of medical school. Participants must either pay back the money expended on their behalf plus interest or practice medicine in Wyoming for three years. Applicants must apply to the University of Washington School of Medicine through the usual procedures. Admission to the medical school is subject to criteria established by the University of Washington. Information and residency applications may be obtained from the College of Health Sciences, Preprofessional Advising Office, Dept. 3432, 1000 E. University Ave., Laramie, WY 82071; (307) 766-6704 or (307)766-3499.

General Information

Abandonment of Classes

Failure to attend class or pay tuition and fees does not constitute withdrawal. Students who do not officially withdraw or drop their classes through the Office of the Registrar will be assessed full tuition and fees. WyoWeb may be used to drop all classes through the end of the drop time period. After the end of the drop time period, students must officially withdraw from the university through the Dean of Students Office. Financial aid recipients who withdraw or reduce credit hours must consult with a financial aid counselor regarding repayment of financial aid funds if applicable.

Some academic departments may drop students from individual classes if the students do not attend the first class meeting. Refer to any notes at the beginning of department class listings.

Changes in College, Major, or Adviser

Forms to change college, major, adviser, or graduate standing or to declare a minor may be obtained from an adviser, the Graduate School, the Office of the Registrar, or online at the Registrar's web site. The student is responsible for obtaining all necessary signatures and returning the form to the Office of the Registrar.

Correspondence Courses

Students interested in earning credit through correspondence study courses should consult the Correspondence Study, 340 Wyoming Hall, (307) 766-5631. Tuition is \$94.00 per semester hour for both residents and nonresidents. A student is allowed nine months from the date of enrollment for completion of a correspondence study course. These courses are not eligible for financial aid.

Course Levels

University courses are distinguished by numbers indicating levels of instruction as follows:

- 0000-0999 Preparatory courses (non-credit)
- 1000-2999 Primarily for freshmen and sophomores
- 3000-4999 Primarily for juniors and seniors
- 5000-5999 Primarily for graduate students
- 6000-6999 Law, Pharm.D., and WWAMI courses

Prerequisites are the primary factor which normally govern whether or not a student may enroll for any particular course. However, individual departments and/or colleges may place additional restrictions on course enrollments (e.g., enrollment may be restricted by student classification). Refer to the General Bulletin for all prerequisites. Law courses are normally open only to students approved for the law program.

Course Requirements:

• Physical Education Requirements for All Undergraduates Enrolled Prior to Fall 1999

Two separate semesters of Physical Education activity courses or the one hour course, PEAC 2000 Wellness: PE Concepts, are required of all able-bodied students who have not reached their 25th birthday prior to the beginning of their final semester. An approved P course may also be used to satisfy this requirement.

Varsity athletics, professional P.E., and theatre-dance courses do not apply toward the P.E. Activity Requirement.

• Physical Education Requirements for All Undergraduates Enrolled Fall 1999 and After

Effective fall 1999, all first-time freshmen, regardless of age or disability, are required to meet the P requirement of the University Studies Program. The P is met by completing a one-semester class of wellness concepts and physical activity. Activity courses alone do not satisfy the requirement for students in this category. Students matriculating at a Wyoming community college or any other collegiate institution in or after fall 1999 and transferring to UW must meet the P requirement or have transfer courses equivalent to one semester credit hour of a physical activity or wellness course.

• U.S./WYO Constitution Requirement for All Undergraduates

Successful completion of a course in U.S. and Wyoming constitutions is required of all undergraduates. Political Science 1000 or Economics 1200 will meet this requirement. Effective fall 1997 semester, the following History courses also meet this requirement: HIST 1211 or 1221 or 1251. Prior to fall 1997, a combination of HIST 1210 and 1250 was required. Courses for this requirement may not be taken for S/U.

Please refer to the University Studies section of this schedule for other requirements of the University Studies Program.

Credit by Examination

The University of Wyoming recognizes the fact that students are from varying levels of society, have different backgrounds and schooling, and therefore possess dissimilar levels of preparation. In recognition of these factors, the university has developed a departmental credit-by-examination program. Students must be currently enrolled in order to qualify for a credit by exam. Students may not seek credit by exam for a course they are currently enrolled in or auditing, or for a course they have previously enrolled in for credit or audit. Please refer to the General Bulletin for further qualifications and information. An initial fee of \$80.00 is required to sit for each examination. Upon successful completion of an examination, the credit will be posted to the student's academic records. Applications for departmental credit by examination are available in the Office of the Registrar. Eligibility approval must be received from the Office of the Registrar prior to taking the exam.

Disability Support Services

Students who need to review the accessibility of classrooms or who anticipate needing class-related accommodations due to physical, cognitive, or psychological disabilities should contact University Disability Support Services. Early notification and application for assistance is encouraged to ensure that services are provided in a timely manner. Contact University Disability Support Services, SEO (766-6189, TTY: 766-3073)

Employee Registration

Eligible employees of the university are allowed to enroll in university credit courses as part of the tuition and fees remission program. Approval by the immediate supervisor or appointing authority is required. The appropriate forms must be secured in advance of the intended registration date and are issued from the Human Resources Department only. Faculty and staff enrolling for courses are expected to conform to established procedures and regulations pertaining to admission and registration (see UNIREGs 174 and 175).

General Information

Financial Aid Reminders

The Office of Student Financial Aid coordinates all student financial assistance available at UW. Available aid includes scholarships, grants (Federal Pell, Federal SEOG, Academic Competitiveness Grants, SMART Grants), loans (Federal Perkins, Federal Stafford, and Federal PLUS), and employment (Federal Work-Study).

The Student Financial Aid office will help all qualified applicants to secure aid, but resources are limited. All students who apply for financial assistance are expected to work and to save a major portion of their earnings to apply against their educational expenses. Aid is offered first to those applicants whose materials are completed and received by March 1 prior to the academic year for which aid is sought. Federal Pell Grants, Academic Competitiveness Grants, SMART Grants and Federal Stafford Loans are available to qualified applicants throughout the year.

Prospective students seeking scholarships should send an application for admission, the nonrefundable application fee, and a copy of their current high school or college transcript to the UW Admissions Office by March 1. Students who have attended another college must have that college submit an academic transcript to the UW Admissions Office.

Students seeking financial aid or assistance based on their financial need must submit a Free Application for Federal Student Aid (FAFSA) directly to the federal student aid program processor. UW recommends filing the FAFSA online at www.fafsa.ed.gov in January prior to the next academic year. Final responsibility for ensuring that all required documents are received in a timely manner rests with the applicant.

Enrollment Requirements

Most scholarships require the recipient to be enrolled full-time. Hathaway Scholarships are available to students enrolled half-time (6 hours a semester). Federal Pell Grants and veteran's benefits may be pro-rated for part-time enrollment. Pell Grant amounts will be adjusted for changes in enrollment only through the end of the drop/add period. Academic Competitiveness Grants and SMART Grants require full-time enrollment (12 or more credits each semester). Federal Stafford Loans may only be borrowed by students enrolled for at least half time (a minimum of 6 hours for undergraduate, law, and pharmacy students; a minimum of 4.5 hours for graduate students). Federal Pell Grants, Academic Competitiveness Grants, SMART Grants and Federal SEOG Grants are available to undergraduate students who have not completed the requirements for their first undergraduate degree. Generally, Federal aid is not available for UW Correspondence Study, for continuous registration hours, or for audit hours. For details, ask a financial aid adviser.

Eligibility Requirements

To receive federal financial aid (such as Federal Pell, Academic Competitiveness Grants, SMART Grants and Federal SEOG grants, Federal Work-Study, Federal Perkins, Federal Stafford [subsidized or unsubsidized], and Federal PLUS loans) students must meet the following conditions and provide supporting documentation when requested to do so: have a high school diploma or its equivalent, be enrolled in an elementary or a secondary school, be enrolled in a degree program, be a U.S. citizen or eligible non-citizen, have a demonstrated financial need if required, maintain reasonable academic progress, not be in default on a federal student loan or owe an overpayment of a federal grant at any institution (or, if so, have

made satisfactory arrangements to repay or otherwise resolve the overpayment or default), not have borrowed in excess of the annual or aggregate loan limits of a federal loan program (loan borrowers only), agree to use funds received only for educational costs, register with the Selective Service if required, and not have had federal financial aid benefits suspended as result of a drug conviction. Aid recipients must make satisfactory academic progress toward their degree to receive federal aid. Academic progress is checked once a year following the end of the spring semester.

Satisfactory Academic Progress (SAP)

Federal regulations require the University of Wyoming to establish satisfactory academic progress standards for student financial aid recipients. These standards at the University of Wyoming are called "Satisfactory Academic Progress" or "SAP." The University of Wyoming standards of SAP measure a student's academic performance both qualitatively and quantitatively by reviewing the following three areas of performance: completion rate for all (cumulative) coursework enrolled, cumulative grade point average (Cum GPA) earned and the maximum time frame to complete a degree. Failure to comply with any one of the following requirements will result in a loss of federal student aid eligibility:

- The minimum CUM GPA for undergraduates and professional students (J.D. or Pharm.D.) is 2.000. For graduate students the minimum CUM GPA is 3.000;
- Each student must complete at least 67% of all credit hours attempted cumulatively at UW;
- Undergraduate students must complete graduation requirements in no more than 150% of the average length of their program - **180 credit hours**.

Satisfactory Academic Progress is reviewed annually in May at the end of the spring semester. Students not meeting any one of the three requirements will be automatically placed on "initial financial aid probation." Initial financial aid probation simply provides an opportunity for students to correct deficiencies and re-establish compliance with the SAP standards. Students have until the end of the succeeding academic year to correct their SAP problem. Students remain eligible for federal financial aid while on "initial financial aid probation." Students are only eligible for the initial financial aid probation provision once. At the end of the probationary period, the student will either be:

- Removed from probationary status because all three components of the SAP policy are now met; or
- Suspended from receiving assistance from federal sources and will receive a Financial Aid Suspension Letter.

Suspended students are no longer eligible for federal financial aid until they have taken classes, using their own funding, and have raised their cumulative GPA or completion rate to meet the SAP standards. Suspended students may appeal their financial aid suspension. To do so a student must submit their appeal no later than the end of the "Drop/Add" period of the semester for which the appeal is submitted by providing the Office of Student Financial Aid with a signed SAP Appeal Form explaining why he/she should not be suspended. A student may appeal due to mitigating or extenuating circumstances that could not be influenced, planned for, or prevented by the student (e.g., hospitalization, prolonged illness, death in the immediate family). Documentation verifying the situation is required and must accompany the appeal. The outcome of a student's appeal depends upon the nature of the circumstances causing the violation, how well that is documented, and how well they have demonstrated that they are now making good progress

General Information

toward earning their degree. The SAP Appeal Form is available online at the Office of Student Financial Aid's web-site, www.uwyo.edu/sfa for downloading and printing or directly from the Office. Contact the Office of Student Financial Aid for more information regarding SAP.

Funds Distribution

Each student who registers has his or her own student account with the university. Once a qualified student has registered for classes and has accepted their award(s) on WyoWeb, the Office of Student Financial Aid will authorize the electronic transfer of financial aid funds to the student's individual account at the university.

Federal Stafford loans are made by commercial lenders. Lenders electronically transfer loan proceeds to the university for direct deposit to student accounts. Federal Stafford Loan amounts may be reduced by amounts up to 4 percent to be retained by lenders as origination and guarantee fees. First-time borrowers of Federal student loans must participate in entrance loan counseling (Web presentation). All student loan borrowers must participate in an exit loan interview (in person or on the Web) prior to leaving UW.

Federal Work-Study funds are paid as payroll checks twice a month. Payroll checks may be direct deposited or mailed.

The university will automatically charge a student's account for tuition and fees based on the student's enrollment. This will be a subtraction entry. Likewise, if a student is living in a university residence hall, room and board charges will be placed on the student's account.

Any financial aid credited to a student's account will automatically pay tuition and fees and then charges for room and board in UW residence halls. Unless directed otherwise by answering the Title IV form on WyoWeb, any remainder will be applied to other university charges (but not short-term loans or UW Bookstore charges). If a negative balance results, the student must pay the amount owed. If the balance is positive, a "credit balance check" will be prepared by the university made payable to the student. This check will be mailed to the student's local address prior to the first day of classes or after the term begins.

A scholarship awarded for the academic year will be split into two equal payments to the recipient's student account with one to be paid at the beginning of each semester unless the donor or selection committee specifically directs that it be paid differently.

Students enrolled in a domestic or international exchange program or a study abroad program approved by UW for academic credit are eligible to apply for federal student financial assistance. Likewise, students concurrently enrolled in classes at two or more eligible institutions of post-secondary education may apply for federal aid. A special consortium agreement between institutions must be completed prior to each semester a concurrently enrolled student seeks aid. Those granted a Federal Work-Study allocation have opportunities to perform community services to earn their allocation.

Information describing available aid, award criteria, rights and responsibilities of aid recipients, costs of attendance, refund and repayment policies, and schedules is available online at www.uwyo.edu/sfa.

Financial aid policies are subject to change without notice to reflect modifications in federal, state and institutional laws and regulations.

Full-Time Status

Undergraduate, Law, and Pharm.D. students enrolled for at least 12 semester hours are considered full-time students. This status entitles students to full benefits including admission privileges to cultural affairs, university theatre productions, and to intercollegiate athletic games, services of the Student Health Service and Wyoming Union, participation in the university short-term student loan program, access to the university microcomputer pods, membership in the Associated Students of the University of Wyoming (ASUW) and participation in its activities, and participation in the university's intramural and open recreation programs.

Undergraduate, Law, and Pharm.D. students enrolled for at least 12 semester hours of credit will have their enrollment verified as "full time" to non-university entities for student loan deferments, insurance documents, veterans benefits, and similar programs.

Note: Correspondence courses are not officially posted to a student's record until grades have been received in the registrar's office, and the hours are not included in determining a student's full-time status until grades have been posted.

Graduate students enrolled for at least 9 semester hours are considered full-time students. This status entitles graduate students to the benefits indicated above regarding full-time undergraduate students. Graduate students enrolled for fewer than 9 but at least 4.5 semester hours may apply for federal student loans.

Undergraduate, Law, and Pharm.D. students enrolled for fewer than 12 but at least 6 semester hours and graduate students enrolled for fewer than 9 but at least 4.5 semester hours will be charged for the Part-Time Benefit Package which entitles them to all the privileges of a full fee-paying student, as listed above. Graduate students enrolled for fewer than 9 hours who choose to retain the Part-Time Benefit Package will have their enrollment verified as "full time" to non-university entities for insurance documents. Other enrollment verifications for these students will reflect their actual enrollment level.

Graduate students who have completed all course work for a master's degree and are working full time on their thesis (which must be certified by the student's academic adviser or department head in writing to the Graduate School) may register for 1 semester hour and become eligible to purchase the Part-Time Benefit Package, thereby becoming eligible for enrollment verification as "full time" for needs such as student loan deferments and insurance documents. Other enrollment verifications for these students will reflect their actual enrollment level. These students are not eligible to borrow federal student loans.

Graduate students who have completed their preliminary examination for a doctoral degree and are working full-time on their dissertation (which must be certified by the student's academic adviser or department head in writing to the Graduate School) may register for 1 semester hour and become eligible to purchase the Part-Time Benefit Package, thereby becoming eligible for enrollment verification as "full time" for needs such as student loan deferments and insurance documents. Other enrollment verifications for these students will reflect their actual enrollment level. These students are not eligible to borrow federal student loans.

The Part-Time Benefit Package must be purchased by the last day of the late registration period.

General Information

Grade Reporting

Instructors of all courses numbered below 5000 must submit midterm grades online. A grade of P (pass) will be assigned to those students performing at a C level or higher. A UK (unknown) may be assigned if an instructor is unable to make a determination of a midsemester grade due to lack of performance assessments such as exams, papers, homework, etc. Since midterm grades are not recorded on the permanent academic record, changes will not be made to them if an error has been made. Beginning Fall 2002, the Office of the Registrar ceased mailing hard copies of midterm or final grades. Students may obtain both midterm and final grades via WyoWeb. Official transcripts contain final grades and may be requested through the Office of the Registrar or on WyoWeb.

Auditing a Course

The privilege of non-credit enrollment in a class is available, upon approval of the adviser and the instructor, to any university student. **The auditing privilege is subject to the same fee schedule as credit courses.** Auditors are expected to attend class regularly and complete such graded work as required by the instructor. It is the responsibility of the student to determine and fulfill the requirements for a satisfactory audit. **Though this auditing privilege carries full rights of class participation, it definitely offers no academic credit, does not count toward full- or part-time status,** and will result in a mark of satisfactory (SA) or unsatisfactory (SU). Subsequent credit for the course by special examination is not available.

Mathematics Placement

All UW math courses have carefully stated prerequisites. The Department of Mathematics considers adherence to these prerequisites essential in assuring that each student has the best possible opportunity for academic success. In accordance with this policy, all students registering for a math course will have their records checked in order to determine whether the prerequisite is satisfied. A computerized prerequisite check is run approximately two weeks prior to the start of the fall and spring semesters. Students who early register for a math course but have not satisfied the prerequisites at the time of the check will be automatically dropped from the course.

Prerequisites may be satisfied in the following ways:

1. Passing the Math Placement Exam (MPE) at the appropriate level within one year prior to the start of the course.
2. Receiving a sufficiently high ACT composite math score or SAT quantitative score of 600 or above within the last three years.
3. Passing a prerequisite course with at least a C. High school courses and out-of-state non-credit courses are not counted as prerequisites. However, certain Wyoming community college courses will be considered.

Questions about math placement can be addressed to the Center for Advising on Math Placement (CAMP), 222 Ross Hall, (307) 766-6577, or visit the Mathematics Department web site at math.uwo.edu.

National Student Exchange (NSE)

NSE is a cooperative exchange program that provides an opportunity for students to capitalize on areas of academic specialization and strength. Exchange is made through a cooperative effort between institutions with the assurance of credit transferability. The university currently has an agreement with more than 175 American colleges and universities. Students interested in the National Student Exchange Program should contact International Student Services, 241 Knight Hall, (307) 766-5193 or check out www.nse.org.

Parking Information

Students may bring motor vehicles to the campus, but they are subject to traffic and parking regulations as designated by the university and Laramie city ordinances. If a student intends to utilize university parking areas, motor vehicles, including motorcycles and motorbikes, either owned or operated by a student must be registered at the time of enrollment or within 24 hours after bringing the vehicle to Laramie. Please contact the Transportation and Parking Services for the registration amount. Shuttle lots are located on the east end of campus.

Prerequisites

While some prerequisites are included in the class listings, all students are responsible for referring to the General Bulletin to verify all prerequisites for a course. Some departments will administratively drop students from a class for which they do not have the necessary prerequisites.

Removal of "I" (Incomplete) Marks

Students who have "I" (incomplete) marks recorded should make arrangements with instructors to complete the required work and have an "I" removal form filed in the Office of the Registrar. Under the provisions of UNIREG 720, "I" marks revert to failing grades if not removed within authorized time limits (normally 120 days after the end of the semester). The provisions of this regulation apply equally to graduate and undergraduate students.

Students should not re-register in a course for "I" removal purposes.

Repeat Courses

All grade entries remain on the student's record, but only the last grade earned will be calculated in the UW cumulative GPA. Courses applied towards one completed degree may be repeated as part of a second degree; however, the grade and grade point average in the original degree will not be changed. When repeating a course which has variable credit, a student must have written confirmation from the instructor and department head verifying that the course being taken for a repeat is identical to the previously taken course and that it is allowable for the student to use this course as a repeat course. A student is limited to a maximum of three (3) attempts in any course at the University of Wyoming. An "attempt" includes any instance in which the student earns a grade for the course or withdraws from the course. The three-attempt limit does not apply to courses identified in the General or Graduate Bulletin as being appropriate for students to take multiple times. A student can petition for exceptions to this limitation through established university procedures (UniReg 238).

General Information

Reserving Courses for Graduate Credit

Undergraduate students taking graduate level courses which are not in any way a part of their undergraduate degree program have the option of later using such courses for purposes beyond the bachelor's degree requirements. Students need to first analyze their own circumstances and needs. If a student intends to pursue a graduate degree or needs courses noted on a transcript as "Reserved for Graduate Credit" for job classification (e.g., advancement on teacher salary schedules), the student should file the appropriate petition obtainable from the Graduate School, 108 Knight Hall. The deadline for such petitions is by mid-term of the semester in which the course(s) is taken.

Senior Citizen Enrollment

Wyoming senior citizens age 65 and older who have been admitted to the University of Wyoming may enroll in university courses on a space- available basis at no cost upon presentation of evidence of age and Wyoming residency to the Admissions Office prior to the beginning of the term in which classes will be taken. Standard tuition and fees will not be assessed; however, special fees which are required in selected courses are not waived and must be paid by the student. Additional student benefits are not available under the senior citizen policy. However, full-time senior citizen students wishing to receive student benefits may enroll and pay regular university tuition and fees. Scheduled Outreach School classes which meet minimum enrollment requirements are included in the courses available to senior citizens without cost. Senior citizens should consult the associate director of admissions, 140 Knight Hall, 766-5160, prior to the payment of fees.

WyoOne Campus I.D. Cards

The ID card, also referred to as the WyoOne card, is the official identification card for the University of Wyoming. Students access their library privileges, residence hall, meal plan, check writing verification, recreational gymnasiums, athletic events and other areas with their WyoOne card. The WyoOne card may also be used as a debit card to make purchases on campus. Main campus students need to obtain an ID card early in the first semester of enrollment. Outreach students may obtain an ID card encoded "Outreach Student". ID cards are available at the WyoOne Office, 28 Knight Hall.

Transcripts

Official transcripts of UW academic work are available at the registrar's office. There is a \$10.00 fee for fax service; otherwise, there is no charge for transcripts. All financial obligations to the university must also be satisfied before transcripts are released. For further information, contact the Office of the Registrar at (307) 766-5515.

General Information

University Bookstore

The University Bookstore is a self-supporting university-owned organization which was founded in 1921. It provides students, faculty and staff members, and campus visitors with a variety of products and services. In order to fulfill its primary mission, the bookstore stocks new and used textbooks, general books, school supplies, office products, educationally-priced computer software, and art and engineering supplies. As a convenience the bookstore also stocks additional items like gifts, insignia sportswear, greeting cards, candy, and sundries. Services the bookstore provides include bookbinding, a special order book service, cap and gown rental, complimentary gift wrapping, a used book buy-back program, postage stamps, and UPS and FAX services.

The bookstore is located on the main level of the Wyoming Union. Hours of operation during the academic year are: 7:30 am - 5 pm Monday through Friday, 10 am - 2 pm Saturday, and 9 am to 30 minutes prior to kickoff on Saturdays with home football games. For additional information please call (307) 766-3264 or visit our web site at www.uwyobookstore.com.

Veterans Benefits

Students who have served in the armed forces may be allowed credit for courses taken in some military schools. Students who desire to apply for UW credit for classes taken at a military school should submit a copy of the CCAF Transcript, ACE Transcript, SMART Transcript, or DD-214 Form or its equivalent to the Office of the Registrar. Individual colleges will determine whether such courses will be applicable to degree programs. All veterans seeking educational benefits must register with the veterans' certification specialist in the Office of Student Financial Aid, 174 Knight Hall, 766-2424. This includes completing a veteran's registration card each semester. Those veterans not completing a veteran's registration card by the last day of the late registration period will be dropped from VA educational assistance at the university.

Class load requirements for veterans: Undergraduate, Pharm.D., and Law Veterans:

Full-time	12 or more credit hours
3/4 time	at least 9 but fewer than 12 hours
1/2 time	at least 6 but fewer than 9 hours
Less than 1/2 time	registration credit-hour fee reimbursement only

Graduate Veterans:

Full-time	9 or more graduate credit hours or certification by dean of the Graduate School*
3/4 time	at least 7 but fewer than 9 graduate credit hours or certification by dean of Graduate School*
1/2 time	at least 4.5 but fewer than 7 graduate credit hours or certification by dean of Graduate School*
Less than 1/2 time	registration credit-hour fee reimbursement only

*The final responsibility for seeing that the veterans' certification specialist has a certification from the dean of the Graduate School rests with the student. It must be received by the last day of scheduled registration.

If any portion of a veteran's schedule is composed of courses which are less than the full semester in length (i.e., short courses, workshops, blocked courses), the rate of benefit payment may be affected. For questions or concerns contact the veterans certification specialist in the Office of Student Financial Aid, 174 Knight Hall, (307)766-2424.

Withdrawal from a class or classes could reduce a veteran's benefits for that term. For details contact the veterans' certification specialist in the Office of Student Financial Aid.

Outreach grades are due January 5th.

Tuition, Fees, and Expenses

Credit Balance Checks

Financial Aid Credit Balance Checks are university checks issued to students for most forms of financial aid. After students have completed all financial aid and registration arrangements, aid is added to their accounts, charges are deducted, and checks are created for any remainder. The first credit balance checks will be mailed to students' local addresses prior to the first day of classes. To insure speedy delivery of credit balance checks, students should be sure their correct local mailing address is listed on WyoWeb. Students who do not receive their check after all necessary action has been completed can contact Accounts Receivable, the Cashier's Office, or Student Financial Aid for assistance. Checks that are returned by the Post Office will be held in the Accounting Office until the student can be contacted. **Please make sure that your address is current. Updates can be made on WyoWeb.**

Stafford Loans - UW will receive its student loan money for students in one electronic transfer of funds. Funds will be electronically credited to each student borrower's account at the university. Tuition and fee charges (and other university charges when authorized by students) will be deducted and any remaining funds will be mailed to a student's mailing address per the procedure described in the previous paragraph. Any amount owed the university will be retained from the student loan prior to any funds being released to the student, regardless of payment plans.

Billing and Payment of Tuition and Fees

All university charges are due prior to 4pm Friday, August 29, 2008. Students who are unable to pay the entire amount by the first day of class may confirm their registration by making a payment of one-third the total amount due on their student account. This payment will automatically place a student into the University's Institutional Payment Plan which has payment due dates of 4pm September 24, 2008 and 4pm October 17, 2008. An enrollment fee of \$15.00 will be added to the student's account each semester they are enrolled in the plan. Students who fail to pay in full or make the registration confirmation payment prior to the close of business Friday August 29, 2008 will have their classes dropped; **this deadline will be strictly enforced.** Students owing \$75.00 or less will not be placed in the payment plan or dropped. Offered and accepted financial aid in an amount equal to or greater than the required payment amount will be treated as a payment on the plan. Please check your Student Account on WyoWeb to determine the amount due or contact Accounts Receivable at (307)766-6232.

Charges for a course delivered by Outreach Credit Programs are due approximately one month before the first day of the class or upon enrollment, whichever occurs later. As with other university classes, confirmation of registration may be made by making a one-third payment by the deadline (and automatic enrollment in the University's Institutional Payment Plan) or with accepted financial aid in an amount equal to or greater than the required payment amount. **Please contact Outreach Credit Programs for details and for exact deadline dates.**

Fees do not include special fees. Undergraduate and graduate student fees were not available at the time of publication. Please refer to the Accounts Receivable web site for fee information.

The computer fee is specified for the support of the computer education environment in the college in which the student is majoring.

Computing fees for 2008-09 semesters were not available at the time of publication. Please refer to the Accounts Receivable web site for fee information.

Tuition Waiver

If an employee, spouse of an employee, or cooperating agency waiver is used for payment of tuition and/or fees, the waiver must be submitted prior to any other form of payment (including financial aid) being credited to the student's account. No refund of payment is permitted because of waiver credits. In all cases the waiver and any other payment required is due no later than the final payment deadline.

Tuition, Fees, and Expenses

Financial Holds

A student failing to pay fees, charges, fines, penalties, deposits, or short-term loans as prescribed by the Trustees of the University of Wyoming shall be denied registration at the university and denied copies of academic transcripts and/or diplomas until such fees, charges, fines, penalties, deposits, or short-term loans are paid in full. A 10-day wait is required before a student loan hold can be removed if the debt is paid with a personal check. Contact Accounts Receivable or the Student Financial Operations Office in Knight Hall for information regarding financial holds.

Refunds/Cancellations

Tuition and course fees will be canceled or refunded to a student who officially drops a class or classes, withdraws from the university through the Dean of Students Office or changes enrollment status (i.e. non-resident to resident; full-time to part-time) in accordance with the institutional refund schedule below.

No tuition penalty will be assessed for dropping and adding during the drop/add period identified in the term's Class Schedule unless all classes are dropped or an all-school withdrawal is processed. Students who withdraw from individual courses after the end of the drop/add period will have their charges canceled in accordance with the institutional refund schedule.

Mandatory fees, late registration fees, and service fees are not refundable.

The portion of tuition refund/cancellation is computed from the first day of the term, not from the class meeting pattern. If a student's initial registration includes blocked classes or short courses that begin at a later date, the refund/cancellation will still be computed from the first day of the term. If a student's initial registration occurs during an approved late registration period, the date for computing a refund/cancellation will be the first day of the term.

Examples of these calculations are available in the Accounts Receivable office.

Courses delivered through the Outreach School through Outreach Credit programs may be subject to different refund policies. Please visit the Outreach School web site at outreach.uwyo.edu/occ or call (800)448-7801 for information.

Courses delivered through the Outreach School through Outreach Credit programs may be subject to different late fees. Please visit the Outreach School web site at outreach.uwyo.edu/occ or call (800)448-7801 for information.

Student Medical Insurance

The university makes available a basic Student Medical Insurance policy for all eligible students. Eligibility is determined by status and credit hour load – undergraduates taking 6 or more credit hours and graduates taking 4.5 or more.

Each enrolling student will be required, as part of the registration process, to make a Student Medical Insurance selection. If the eligible student selects "YES" to the question, the premium will be assessed on the student's account. If the student selects "NO," they will not be assessed for the premium. Eligible part-time students will also be assessed for the **Part-time Student Benefit Package**.

Graduate student taking fewer than 4.5 credit hours may petition the Graduate School for eligibility to purchase the part-time student benefit package. Those graduate students who successfully petition for the benefit-package may enroll in the Student Medical Insurance program only by contacting the Student Medical Insurance Office.

For questions regarding the Student Medical Insurance program, contact the Student Medical Insurance Advocate (209 Student Health Services building) at (307) 766-3025 between 8 a.m. and noon weekdays.

Part-time Student Benefit Package

The Part-time Student Benefit Package includes the same benefits as those afforded full-time students including, but not limited to, the use of Student Health Services, use of recreation facilities, and the opportunity to apply for Short-term Emergency Student Loans.

If the student medical insurance is retained, the package must also be retained. The cost of the part-time benefit package is not available as of the publication of this schedule. For all questions regarding the Part-time Student Benefit Package, contact Accounts Receivable (250 Knight Hall) at (307) 766-6232.

Visitor's Fee

Individuals who are not otherwise enrolled at the university and who are not university employees may visit classes taught as part of a university course. The privilege of visiting a class entitles the visitor to a seat in the class and the privilege of listening without class participation rights. The visitor receives no regular credit and subsequent credit by examination is not available.

A visitor's card may be purchased in the Office of the Registrar (West Wing of Knight Hall) for \$25.00 per course. Approval of the respective instructor is required. Visitor's cards are not available until the first day of classes.

Federal Return of Funds Policy

A student who receives federal financial aid (other than Federal Work-Study paychecks) and chooses to complete less than 60% of an academic term is considered not to have earned all the federal aid he or she has been awarded.

- If aid already disbursed is equal to earned aid, no further action is required.
- If aid already disbursed is less than earned aid, additional aid may be offered to the student after he or she withdraws.
- If aid already disbursed is greater than earned aid, UW and/or the student must return some federal funds.

To determine whether federal funds have been earned or must be returned, UW follows this procedure:

1. Determine the percentage of the term the student completed. This is calculated by dividing the number of calendar days (including weekends) in a term into the number of calendar days that the student was in attendance for that term.
2. Apply the percentage of time attended to the total amount of federal aid the student was eligible to receive for the term. This is the student's "earned aid."
3. Subtract the amount of earned aid from the amount of aid actually disbursed to the student. A positive remainder is the student's "unearned aid." A negative remainder is the student's "earned aid" that may still be offered to the student.
4. Determine the amount of unearned aid remaining that must be repaid by the student. Subtract the amount of unearned aid repaid by the institution from the total amount of unearned aid.

All unearned aid will be returned to the federal student loan lender or federal aid accounts in the following order: (1) Unsubsidized Stafford Loan, (2) Subsidized Student Loan, (3) Federal Perkins Loan, (4) Federal PLUS (Parent) Loan, (5) Federal Pell Grant, (6) Academic Competitiveness Grant, (7) SMART Grant, (8) Federal SEOG Grant, (9) LEAP Grant. Any amount owed by the student on a grant will be reduced by 50%.

The date of a student's withdrawal from UW will be the date of the student's notification to the Dean of Students Office of an intent to withdraw. When a student fails to officially withdraw from UW, it will be assumed that the withdrawal date is the midpoint of the semester or the last date of documented academic activity.

UW will repay the lesser of (1) the total amount of unearned aid or (2) an amount equal to the student's institutional charges multiplied by the percentage of unearned aid. "Institutional charges" are defined as charges for tuition and fees, plus room and board charges for students living in UW residence halls and apartments. It does not include such charges as bookstore charges, student health insurance premiums, parking citations, or library fines.

The amount of unearned aid owed by the student on a loan may be repaid under the normal repayment terms of the loan. The amount of unearned aid owed by the student on a grant must be repaid immediately.

Any amount of earned aid not yet disbursed to the student will be offered to the student. Such offers will cover any undisbursed grants first, followed by the undisbursed loans.

Examples of how the amount of unearned federal aid a student must return is calculated are available from a professional adviser in the office of Student Financial Aid. A chart detailing the percentage of earned and unearned aid, by calendar day of the semester, is provided below. In brief, to determine the percentage of earned federal aid, the calculation will use the total number of calendar days in the term divided by the total number of calendar days the student attended.

Interaction of Federal Return of Funds Policy and Institutional Refund Policy

When a student who receives federal financial aid withdraws from the university, he or she may owe a repayment of federal funds and/or be due a refund from UW or owe an additional amount to UW. The Federal Return of Funds policy will be applied before any refund due under the UW policy is disbursed. For details on the application of these policies to a specific situation, please consult with the Accounts Receivable Office, 250 Knight Hall, (307) 766-6232.

National Guard Benefit

Active Wyoming National Guard Members in good standing and considered to be satisfactory participants may apply to participate in the Education Assistance Plan. The Plan provides 100% tuition and mandatory fee payment for all courses leading to one degree at UW, as long as the recipient continues to meet academic and service commitment requirements. Recipients must agree to serve the Guard for at least two years after earning their degrees. This benefit may be used concurrently with GI Bill benefits. For information and application packets, please contact the Wyoming National Guard Education Office at (800) 832-1959, ext. 5262, the UW Outreach School at 800-448-7801, or the UW financial aid office at (307) 766-2424.

CAPP Degree Checks

The Office of the Registrar, in conjunction with all undergraduate colleges, operates a computerized degree check system. The office is in the process of converting to a new system called CAPP. CAPP is a degree progress report/advising support system that will match your completed and current UW course work (and any transfer courses you might have) with your degree requirements to determine your progress toward earning your degree and will be available to students and faculty advisors by the start of the fall 2006 semester.

CAPP does not apply to second bachelor students and students with UW course work prior to fall of 1991. These students should contact the Office of the Registrar to schedule degree check appointments. If you have questions about your CAPP compliance, please contact your adviser for assistance. You may also contact the Office of the Registrar by calling (307) 766-5272 or by coming to the West Wing of Knight Hall.

Be sure to notify the Office of the Registrar in writing of your anticipated graduation date. Please stop by our office to fill out an anticipated graduation date form. You will need to complete a new form if your anticipated graduation date changes.

To access your CAPP, log on to WyoWeb and follow these steps:

1. Choose the 'Student Resources' tab
2. Find the 'Registration Tools' channel
3. Click on the 'Degree Evaluation' link
4. Choose the correct term
5. Click the 'Generate New Evaluation' link (at the bottom of the page)
6. Click the dot next to 'Program' and click 'Generate Request'
7. Select 'Detail Requirements'

Registration Information

Registration for Students Enrolled Spring Semester

Students registered for on-campus courses during the spring 2008 semester may register for fall classes beginning at their designated time during March and April as indicated by their adviser. NOTE: all registration holds must be cleared before you can complete any registration activity.

Registration for New or Re-enrolling Students

Individuals who have been fully admitted (have received a final admission letter from the Admissions Office) and students who are re-enrolling and have completed the necessary paperwork with either the Admissions Office or the Graduate School may register for classes beginning April 21. All students must first see their academic adviser for planning their schedule. The academic adviser will provide each student with his or her PERC (Personal Electronic Registration Code).

If you plan to come to campus for advising during the fall semester, please contact your adviser to ensure that advising will be available.

Late Registration

Late registration begins Monday, August 25th. Students who register late will be assessed a late-registration fee of \$25.00.

UW/CC and Outreach Students

If you normally enroll for classes through UW/CC and/or the Outreach School but want to register for a class in Laramie, it's quite easy to do. Simply call the Office of the Registrar at (307) 766-5272, and tell them you are a UW/CC or Outreach student and now want to register for a Laramie class. You will be given instructions on how to obtain your PERC, and you may then register for your classes through WyoWeb. Or, your adviser or someone in the UW/CC or The Outreach School office may call the Office of the Registrar for you.

Advising

The University of Wyoming has a mandatory advising policy for all students except Non-Degree Graduate students. You will need to see your adviser for assistance in selecting which courses for which to register and to obtain your PERC number.

PERC

You will enter your PERC as part of the registration process each time you make registration changes on WyoWeb; please make note of your PERC and keep it in a safe place for future reference.

Registration Holds

Your WyoWeb portal account will list any registration holds that are in place. These holds must be removed before registration will be allowed. An insurance choice hold is placed on your record prior to registration each term. To clear this hold, click on the Health Insurance Coverage link in the Registration Tools channel of WyoWeb.

MMR Immunization

The University of Wyoming has implemented a policy to protect the University community against measles (rubeola), mumps, and rubella. All new students must provide proof of immunity to measles, mumps, and rubella prior to registration. The Student Immunization and Health History Form (available on the web at <http://uwadmnweb.uwyo.edu/ShSer/Information/HealthHistoryform.pdf>) must be completed, verifying compliance with this requirement, and sent to the Student Health Service prior to registration.

Effective 9/3/02, two doses of MMR vaccine are required. Other acceptable methods to comply with the requirement are detailed on the form. Please note that the first page of the form must be verified and signed by a health care provider. For information about exceptions to this policy, contact the Student Health Service.

For students unable to verify MMR immunization, the vaccine is available at the Student Health Service for a nominal charge. It will be administered prior to registration for any eligible student, without an appointment, during office hours. Do not delay until registration to accomplish verification or immunization, as it is impossible to service all incoming students on one day. There is a minimal charge for the MMR immunization.

In addition to the MMR requirement, students who are not US citizens are required to have tuberculosis testing prior to registration.

Method of Registration

Students may register for their classes through WyoWeb. WyoWeb provides an easy-to-use, visual mode of registration as well as other features that assist in the registration process.

Course Reference Numbers

Course Reference Numbers (CRNs) are five-digit numbers issued to each class and section being offered during a semester. These numbers are listed in the extreme left-hand column of the Class Schedule. If an asterisk (*) appears next to the CRN, you must contact the appropriate academic department to obtain permission to enroll and/or professor/section choice.

Linked Activities

Some academic departments have indicated courses which require labs and/or discussion sections as Linked Activities. This means that when you register for the primary activity (normally the lecture), you will be prompted to also register for the linked activity (normally a lab or discussion). You must enroll for the primary-level activity (e.g., lecture) at the same time that you enroll for the secondary-level activity. In order to drop or switch sections of a primary-level activity, you must first drop the secondary-level activity.

Registration Information

Wait Lists

If a department has established a waitlist for a course, you will be asked whether you would like to be placed on a waitlist when the section you desire is closed. Follow the directions given through WyoWeb to add yourself to a course waitlist. Registration will not be allowed for courses with active waitlists. **It is your responsibility to monitor your status on a wait list to determine whether or not you have been enrolled. You will be charged tuition and given a grade of F if you are enrolled in a course you do not attend. If you place yourself on a wait list and then determine that you do not want the course, please be sure to drop yourself from the wait list before the published deadline so that others may enroll. Students who are registered for one section of a course may not waitlist for another section. Students who do so will be dropped from the waitlisted section. Students may not waitlist themselves for multiple sections of the same course. Students who do so will be dropped from all waitlisted sections.**

Time Conflicts

You may not register for two courses that meet at the same time or for courses with overlapping meeting times. If you want the second course instead of the one you are registered for, you must drop the first one before adding the second course. If you want two time-conflicting courses, you will need to obtain a Time Conflict form in the Office of the Registrar, obtain the approval signatures of the two respective instructors and return the form to the Office of the Registrar for processing. You will then be granted permission to add the course through WyoWeb.

Change of Registration (Drop/Add)

Adding classes, dropping classes, or changing grading options (e.g., A-F to S/U) constitutes a registration change. WyoWeb may be used to drop or add anytime after your initial registration until the end of the drop or add time period. Drop and add deadlines are strictly enforced.

For justifiable reasons, departmental and deans' offices may initiate changes in registration. It is the responsibility of the respective academic unit to notify students of any changes to their schedules. In these instances students do not need to complete the drop/add process unless they need to add a course to replace the course that has been dropped.

Withdrawing from a Course

Failure to attend a class or failure to pay tuition does not constitute withdrawal from a class or from the university. Students wishing to withdraw from some but not all course work can obtain the required forms from the Office of the Registrar or complete an Online Petition through WyoWeb. See the Deadlines section below. A class withdrawal is not official unless filed with the Office of the Registrar. Unauthorized discontinuance of enrollment or unofficial abandonment of classes will result in a failing grade. Financial aid recipients who withdraw or reduce credit hours must consult with a financial aid counselor regarding repayment of financial aid funds if applicable.

Withdrawal from the University

Withdrawal from the university is the official termination of student status prior to the end of a term. Students wishing to withdraw from all on-campus classes should initiate the procedure with the Dean of Students Office. Withdrawal from the university is not permitted during the last 15 days of a term. (*See number 4 below for more information and deadlines.*)

Deadlines

1. Dropping courses (without record on transcript) or switching sections of the same course:
 - September 4, 2008, (eight class days after the semester begins) for regular semester classes (this deadline will be strictly enforced);
 - August 28, 2008, (four class days after the semester begins) for blocked courses that begin at the start of the semester;

 - September 30, 2008, (five days after the middle of the course) for blocked courses that begin at the start of the semester. A mark of "W" will be assigned for the withdrawal.
 - November 17, 2008, (five days after the middle of the course) for blocked courses that begin the second eight weeks. A mark of "W" will be assigned for the withdrawal.

Note: Course withdrawals must be processed in person in the Office of the Registrar or by using the online form available on the Student Forms and Petitions channel of WyoWeb.

4. Withdrawing from the university:
 - November 25, 2008, (15 calendar days prior to the end of the semester) is the deadline to withdraw from the university for Fall 2008. Marks of "W" will be assigned to all courses. Forms for withdrawing from the university are available in the Dean of Students Office, 128 Knight Hall, (307)766-3296. If you were on academic probation for the semester prior to this withdrawal, withdrawing for the university will result in being placed on academic suspension. To re-enter, you will need to petition for academic reinstatement (see the General Bulletin for more information.) Outreach students should contact the Outreach School to withdraw.

University Studies Program: 2003

An education at the University of Wyoming is grounded in a broad understanding of human knowledge developed through a range of courses and co-curricular activities, the most important of which is the University Studies Program of general education, required of all UW students. The specialized knowledge of a major evolves from general education. These two components of an education are complementary, enhancing one another throughout a student's career.

The goal of the University Studies Program is to provide a general education that will help students develop for full participation in a technologically intricate world including:

1. The ability to express oneself in speech and writing;
2. The ability to locate, evaluate, and use information;
3. The ability to examine problems from quantitative, qualitative, and scientific perspectives;
4. Encouragement to become active citizens in a diverse society;
5. Gaining perspective to appreciate the viewpoints and deal with complex issues of others through multi- and inter-disciplinary inquiry;
6. Understanding the responsibility to participate in a democratic society;
7. Communicating clearly in a civic environment.

Students transferring to UW from any Wyoming community college without an associate's degree will have their transcript reviewed on a course by course basis.

Hours

MWF 10:00am-10:50am means that the class meets Monday, Wednesday, and Friday from 10:00am to 10:50am. When days and times are left blank for a given class, it indicates that the meeting time is to be arranged with the instructor in conference with the students. Fifty-minute morning classes (including 12:00 noon) begin on the hour. Fifty-minute afternoon classes begin at 10 minutes after the hour.

Note: Courses offered for more than two credit hours and meeting only two days per week (e.g. TR, MW or MF) will generally be held for 75 minutes on the scheduled day. Students should plan their schedules accordingly. Some courses with variable credit may be shown with a fixed number of credit hours. This indicates the department has elected to offer the course only for a fixed number of credits for this term.

How to Read the Class Schedule

Most provisions in this schedule are subject to change without notice.

The class schedule is published each semester. It contains the list of courses to be taught in the term as well as information on deadlines and registration procedures. An illustration of the Fall 2008 Class Schedule page entries is given below.

Course Reference Number (CRN) #: Indicates the number which is used with WyoWeb registration. If an asterisk (*) appears in this column after the CRN, the course is under Controlled Enrollment. You must contact the appropriate academic department to obtain permission to register for the course and for professor/section choice.

USP: Indicates which University Studies Program 2003 requirements the course meets.

Course #: Indicates level of material covered: 000-999, no credit; 1000-2999, primarily freshmen and sophomores; 3000-4999, primarily juniors and seniors; 5000-5999, primarily graduate students; 6000-6999, law and pharmacy. Shown in ascending order.

Sec: Section number. A course may be taught at more than one time of day. The section number distinguishes separate offerings of the same course. Shown in ascending order.

Course Title: Title of course as it will appear on a transcript. For official description, look in the General Bulletin under the department which offers the course.

Cr Hrs: Credit Hours. The credit a course carries may vary from 1 to 12 or more; usually it will be 2, 3, or 4. An entry such as 1-3 means the course has variable credit and a student may sign up for 1 or 2 or 3 credits (consult with your adviser or the instructor).

Meeting Times: If no day or time is listed, this information is to be arranged, consult with the instructor or department.

Bldg and Room: Denotes course meeting location
