

Substance Policy Agreement

Alcohol and illicit drugs are nationally recognized as substances which may have a negative effect on the lives of college students. As a leadership organization, which works largely with college students under the legal drinking age, it is recognized that alcohol is not needed for a good time or to promote positive growth. Illicit drugs can be lethal. Therefore, all events will be designated “alcohol and drug free.” (Note: “all events” includes any regional or national gathering at which NACURH funds are spent on travel and/or registration.) The method of enforcement will be at the discretion of the Conference Staff, in consultation with the Regional Advisor, The Regional Director, and the Advisor from the school from which the student represents.

I, _____ (Full Name) acknowledge and agree to adhere to the Substance Policy of NACURH Inc., its regional affiliate IACURH, and the host school, the University of Wyoming. I agree to all terms and procedures mentioned above.
