

POSITION: City Planner/Economic Development
LOCATION: Cokeville, WY
STARTING: January 2009
SALARY: DOE

The Town of Cokeville has budgeted for a full-time management/planning position beginning January 2009. Cokeville is an exceptional, western Wyoming community comprising primarily of agriculture, school and government jobs. Key responsibilities would include:

- Support the completion of the long-range strategic and master plan
- Work with the city council and economic development organizations on community projects
- Develop a main street program
- Register homes/businesses on National Historical Registry
- Pursue grant opportunities
- Work to diversify economic conditions
