### Handicap Codes

I	=	Inaccessible
P	=	Partial Access
WC	=	Wheelchair accessible

**Note:** These access ratings are intended as a guide only. As campus barrier removal progresses, access ratings will change. A visit to each building rated "P" is advised to determine if individual needs may be met in that facility. Contact University Disability Support Services, SEO (766-6189, TTY: 766-3073) for assistance with access to programs or classrooms in facilities coded "P" or "I."

### Days

M	=	Monday
T	=	Tuesday
W	=	Wednesday
R	=	Thursday
F	=	Friday
S	=	Saturday
U	=	Sunday
MTWRF	=	Monday through Friday inclusive
MWF	=	Monday, Wednesday, and Friday
TR	=	Tuesday and Thursday

### Hours

**MWF 10:00am-10:50am** means that the class meets Monday, Wednesday, and Friday from 10:00am to 10:50am. When days and times are left blank for a given class, it indicates that the meeting time is to be arranged with the instructor in conference with the students. Fifty-minute morning classes (including 12:00 noon) begin on the hour. Fifty-minute afternoon classes begin at 10 minutes after the hour.

**Note:** Courses offered for more than two credit hours and meeting only two days per week (e.g. TR, MW or MF) will generally be held for 75 minutes on the scheduled day. Students should plan their schedules accordingly. Some courses with variable credit may be shown with a fixed number of credit hours. This indicates the department has elected to offer the course only for a fixed number of credits for this term.

# How to Read the Class Schedule

## Most provisions in this schedule are subject to change without notice.

The class schedule is published each semester. It contains the list of courses to be taught in the term as well as information on deadlines and registration procedures. An illustration of the Fall 2008 Class Schedule page entries is given below.

**Course Reference Number (CRN) #:** Indicates the number which is used with WyoWeb registration. If an asterisk ( \* ) appears in this column after the CRN, the course is under Controlled Enrollment. You must contact the appropriate academic department to obtain permission to register for the course and for professor/section choice.

**USP:** Indicates which University Studies Program 2003 requirements the course meets.

**Course #:** Indicates level of material covered: 000-999, no credit; 1000-2999, primarily freshmen and sophomores; 3000-4999, primarily juniors and seniors; 5000-5999, primarily graduate students; 6000-6999, law and pharmacy. Shown in ascending order.

**Sec:** Section number. A course may be taught at more than one time of day. The section number distinguishes separate offerings of the same course. Shown in ascending order.

**Course Title:** Title of course as it will appear on a transcript. For official description, look in the General Bulletin under the department which offers the course.

**Cr Hrs: Credit Hours.** The credit a course carries may vary from 1 to 12 or more; usually it will be 2, 3, or 4. An entry such as 1-3 means the course has variable credit and a student may sign up for 1 or 2 or 3 credits (consult with your adviser or the instructor).

**Meeting Times:** If no day or time is listed, this information is to be arranged, consult with the instructor or department.

**Bldg and Room:** Denotes course meeting location
